SOME INFORMATION

- Born on January 19, 1943, in Port Arthur, Texas, Janis Joplin developed a love of music at an early age, but her career didn't take off until she joined the band Big Brother and the Holding Company in 1966. Their 1968 album, *Cheap Thrills*, was a huge hit. However, friction between Joplin and the band prompted her to part ways with Big Brother soon after. Known for her powerful, blues-inspired vocals, Joplin released her first solo effort, *I Got Dem Ol' Kozmic Blues Again Mama!*, in 1969. The album received mixed reviews, but her second project, *Pearl* (1971), released after Joplin's death, was a huge success. The singer died of an accidental overdose on October 4, 1970, at age 27.
