

Treasure Island – A Fantastic Experience

On Thursday, 22nd January we went with our school to the Megaron to watch Treasure Island broadcast live from the National Theatre of London. The staging was brilliant, and the actors and actresses were amazing. It was a fantastic play. In my opinion, it was the best play I have ever seen.

In the play the characters were a girl, Jim Hawkins, a bad pirate, John Silver, and several other good and evil heroes. The plot was about a mysterious island and some treasure.

It was an exciting evening at the theatre!
