Some exciting scenes from the movie...

- At the end of the film , when Andy escaped from the prison , the policemen and the entrepreneur went into his prison cell , they tried to find the place that Andy escaped from and finally the entrepreneur touched a poster of the actress Rita Hayworth . There wasn't anything behind the poster , only a huge cavity that leads to the outside world. That's why the film was titled : *Shawshank Redemption: Rita Hayworth*

- *I like this film because it's thrilling and it's full of suspense . It has an interesting plot and it's one of my lovely films because Morgan Freeman ,one of my favorite actors, plays and the movie mentions my favourite actress , Rita Hayworth , one of the sex symbols and pin-up girls of 40s and 50s*
