

THE PARTHENON

The PARTHENON , a great sight for every tourist , is situated in the capital city of Greece , Athens. Built between 447 BC and 438 BC, it is a great monument to visit and you should not miss it.

You should also visit all the
Greek islands so that you
discover the real beauty of
our country.

Panoramic view of the Santorini caldera, taken from Oia

Navagio , Zakynthos

Harbor of Rhodes, capital of the Dodecanese.

The Lion Gate, Mycenae.

Mycenae is a great place to visit in order to discover the beauty of ancient Greece.

Knossos the great glory of Crete

Greece has a lot of
beautiful places to visit so
I suggest you all tour
around Greece this
summer 😊
