HAMLET

- On 20th October, I went to see the play “Hamlet” of William Shakespeare by National Theatre Live starring Benedict Cumberbatch.
- The story talks about a prince called Hamlet whose father was poisoned by his uncle. After a month, his mother married his uncle and then he made the decision to take revenge. And that’s how the whole story begins.
- I liked how the actors played. I also liked the lights and the effects very much. To sum up, I liked the whole play.
- It was such a magical and a wonderful night, that I will not forget.
