

Dear diary,

today was the first day of school!

I ran into the classroom really fast and sat down. Jess was there too. While we were eating, the other girls were looking at my yogurt as if it was something horrible.

At recess, I went out to run with the boys, but when I won the race a boy said that I couldn't run in the finals because I'm a girl!

However, Jess supported me so I was able to run...

and I won! It was really exciting. Then I returned home.
