

JO NESBO!!!

Jo Nesbo is a very famous writer and I am very lucky that I met him at Megaron with other journalists. He's a very funny person. Jo Nesbo is also polite and he is hardly ever angry. When I saw him, I felt like I was very famous too and I spoke to him about interesting things. 5 students from our school were present at the interview. Other journalists asked him questions too. When our turn arrived we asked him about his dreams when he was young. It was a wonderful experience and I am very grateful to my school for this. I hope one day I am going to see him again.
