

Tutankhamen

The English Egyptologist Howard Carter and his team on October 28th, 1925 removed the lid on the third and last sarcophagus of the burial chamber in tomb KV62, revealing my mummy.

- By February 1923, Carter had already discovered the Burial Chamber of my tomb hidden in the Valley of the Kings.

- I was the 11th pharaoh of Dynasty 18 of the New Kingdom in Ancient Egypt. That made my mummy over 3,300 years old!
