

MY DREAM HOME

My dream home will be near the sea and it will be big and bright.

In the garden there will be a big swimming pool where I'll swim every day .

I'll have a kitchen and I'll make delicious food.

I will also have a big living room where I'll watch TV and films. I'll relax and play games.

I will sleep in a big bed!

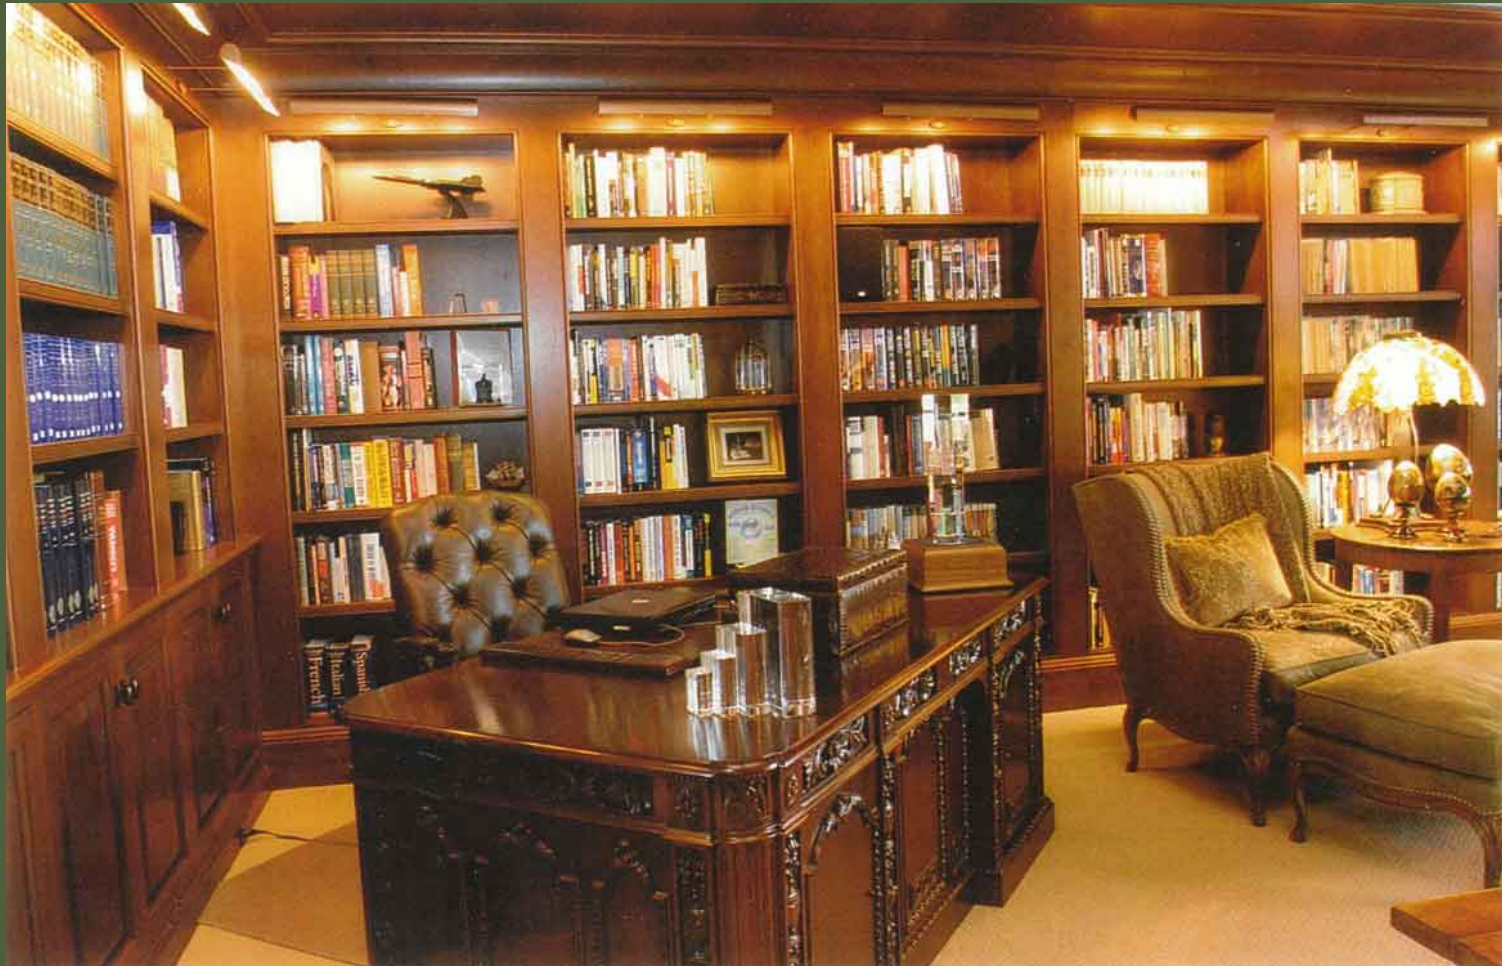

I'll have a play room where my friends and I will play with my toys.

I'll have a big dining room where I'll eat with my friends .

I'll have a big study with a bookcase full of books. There, I'll study and relax.

*THE END*
