

A modern, two-story house at night. The house has a prominent central square volume with a large, illuminated window. The ground floor is a long, low profile with large glass doors and windows, revealing a dining area with white chairs and a living area. To the right, there's a lower section with blue ambient lighting. In the foreground, a swimming pool reflects the house and the sky. To the right of the pool, there's a lounge area with several white daybeds. The background shows dark, silhouetted mountains under a twilight sky.

My dream house

By Chris Ntonis

Outside

- My dream house won't have too many details. It will be a 3 storey-house with a roof, an amazing pool, sunbeds and umbrellas.

Inside

- The inside will be amazing! A big couch will be in front of the 50" smart TV. Most devices will be voice-commanded. Also, there will be an indoor jacuzzi and a fish tank. Opposite the bath, there will be a TV.

Roof

- The roof won't be triangle. It will be a nice square roof with a pool. It will also have some sunbeds and a bar. (And Ariana Grande singing xD)
