

My role model

By Constantina Tsafara

Michael Phelps

- My role model is Michael Phelps because he is a very important swimmer and he is really dedicated to this sport.
 - He is the only athlete with the most Olympic medals. This shows that he is ambitious and very hard working. It also shows his dynamic character and his will to win.
 - Except for all the above, he has recently started the "Michael Phelps Foundation" which promotes healthier lifestyles.
 - So, I admire him because he is interested in helping people. As you know, I love swimming and I want to be like him one day!
