

# Ronaldo !!!

My role model is Ronaldo who is a famous football player. I think he is a good looking young man who always wears fashionable clothes. He's got a dark complexion and, of course, an athletic figure.

# Ronaldo !!!

What's more, he is dedicated to football and, thanks to hard work, he has become one of the world's top players. The thing I admire most about him is his amazing performance in the field. He is an inspiration to all football players.
