

My favourite  
cartoon character.

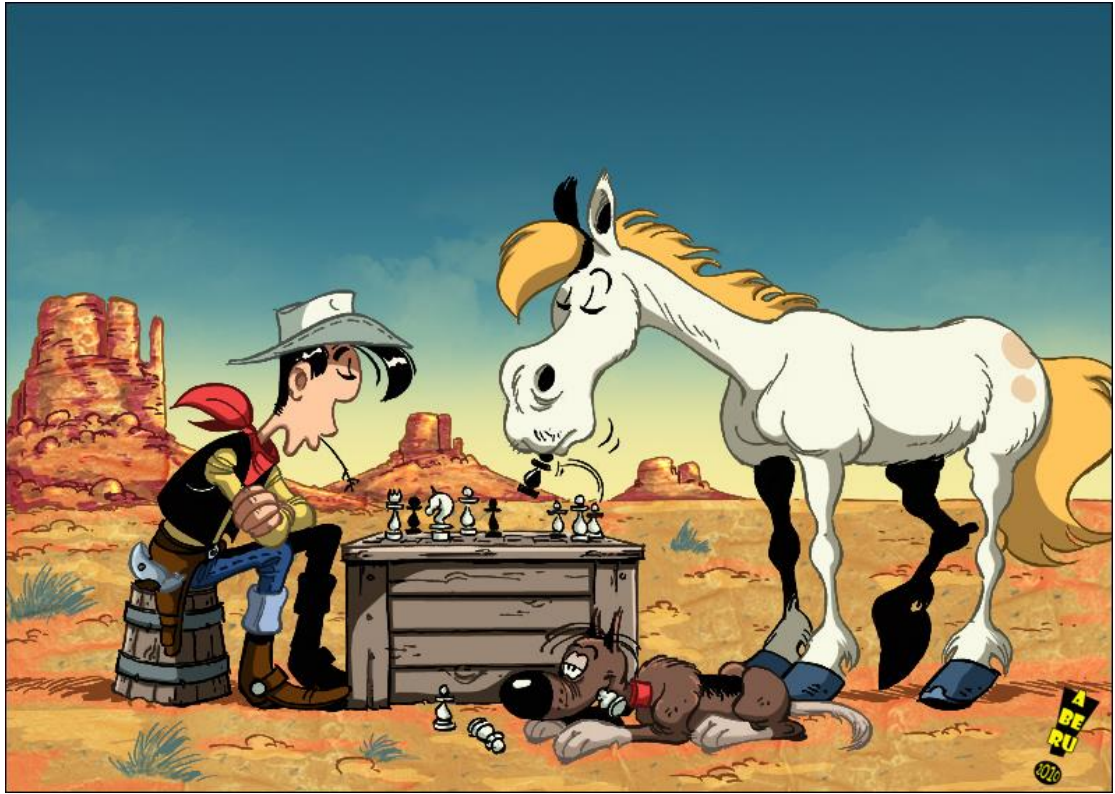

My favourite cartoon  
character is Obelix from the  
comic Asterix. Obelix is fat  
and he has got a white dog.  
Its name is Idefix. Obelix is  
also tall. He likes eating; he  
also likes beating Romans  
because they are his  
enemies.

I also like **Asterix**. Asterix is Obelix's **BEST** friend. He is short and thin. He lives with Obelix in a small village in Galatia. He also like beating Romans.

My last favourite character is Lucky Luke. He is a cowboy. He has a white horse. Its name is Doly. His enemies are called Daltons. He has other enemies, too.

THE END!!!
