TV Favourites

My favourite character in Star Wars is Luke Skywalker because he's very brave and a good Jedi. This character has powers and a green light-sword.

I saw a movie of Harry Potter last week. My favourite hero in the film is a boy called Ron Weasley. I like Ron because he has orange hair and he is great fun!

I also like Jack Sparrow in the movie "Pirates of the Caribbean". Jack is a pirate wanted in London. I like Jack Sparrow because he is funny and very clever.
