

My favourite TV characters

- Hi! I am Fani and here are three of my favourite TV Characters...

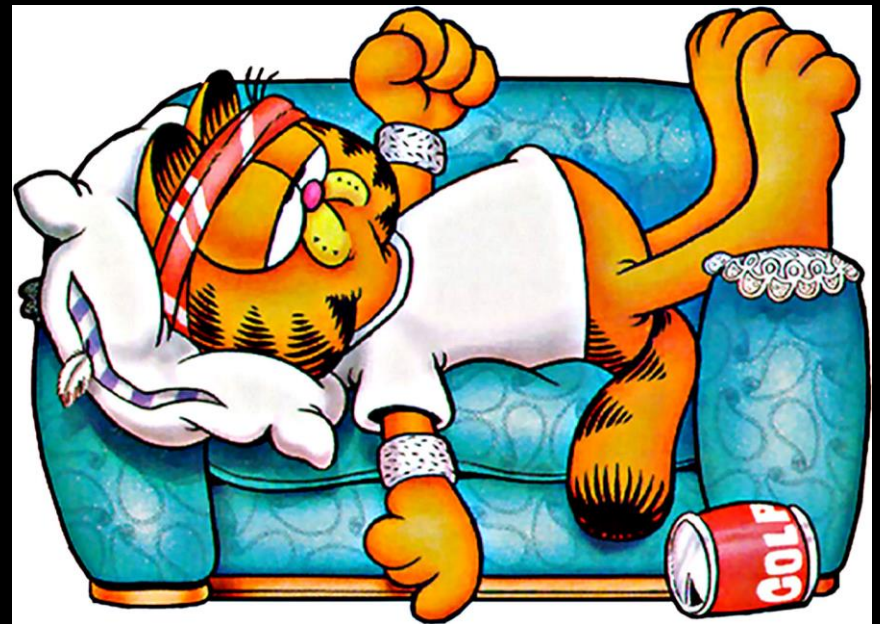

Minions

One of my favourite cartoon characters are Minions! I love watching their movies and buying their T-shirts. The last film I saw was "The minions' movie". They are very funny and they make jokes all the time !!

Garfield

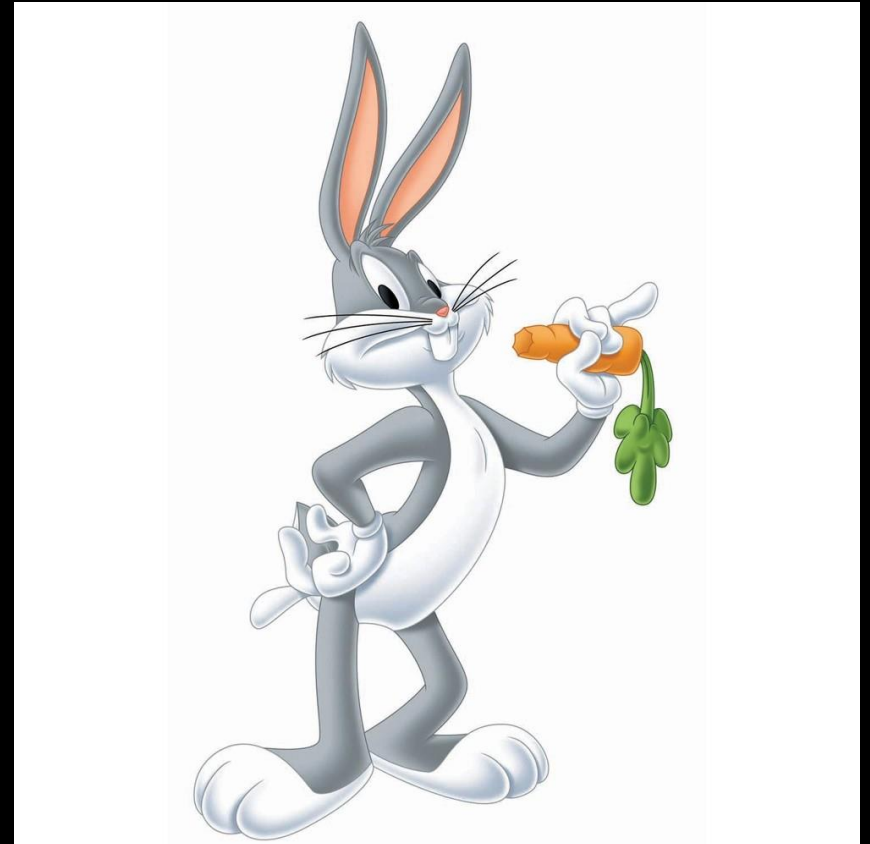

- I saw a cartoon called *Garfield* last weekend. This cartoon is about a very fat cat which loves eating pasta and sleeping. It's a very lazy cat but also a funny one!

Bugs Bunny

- I also like Bugs Bunny which is the famous character of Looney Tunes.

It is a bunny
that loves
eating carrots.
It is very clever too!!
