

TV FAVOURITES

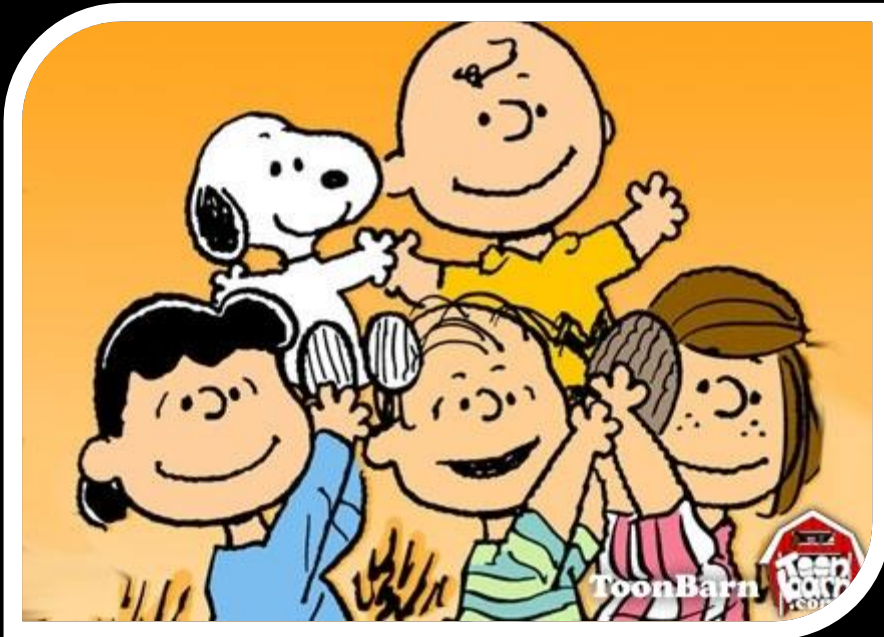

Sam and Cat

My favourite TV programme is **Sam and Cat**. I sometimes see it before synchro. **Sam** is a very clever and strong teen girl. **Cat** is a stupid but good person.

Charlie Brown

I saw a cartoon called **Charlie Brown**. **Charlie Brown** is the boy who has **Snoopy**. **Snoopy** is a very clever dog and he can do many things. I like him because he tells good jokes.

Minions

I also like **Minions**. I like the **Minions**' movie because it has good graphics and it's funny. **Minions** don't speak but people do in the movie.
