

My favourite free time activity

My favourite free time activity is going to the mall with my friends and wander around, eat, watch a movie or go for a game of bowling. We may go to a place where there are a lot of electronic games like 'Dance Revolution', or 'Basketball', or 'Motorcycles'. We sometimes go to the shops to buy something. But, some other times, I like going to the beach with my friends and play football or take a swim or maybe play volleyball. Sometimes we just want to sit and talk or play games like "Truth or Dare".
