TENNIS!!!

TENNIS:

- Tennis is my favourite free time activity.
- I play tennis three times a week (and sometimes four) at O.A.K.A. (Olympic Stadium of Athens).
- It is a very nice but sometimes competitive sport... but we never forget to respect the opponent!

TENNIS:

- At tennis you can make a lot of new friends and have fun with them.
- I have been playing tennis for about six and a half years.
- Sometimes I hit myself by mistake with my racket, but I don't stop playing because I am addicted to it!
- I often go to play tennis at the weekend with my father and sometimes with my friends and I always beat them!

TENNIS:

- I love tennis for many reasons:
- It is a very exciting sport and if I start playing it, I never want to stop...
- I like playing in tournaments. It is a very nice experience, because I learn how to respect my opponent!

TENNIS:

- I want my new tennis racket to be Federer's, because he is my favourite tennis player and the best in the whole world!!!
