TENNIS

TENNIS!

My favourite free time activity is tennis!
I play tennis three times per week with my friends.

In this game you have to be honest and never cheat. You need to be dedicated to your game, set or point and generally to the match. I think this is the most interesting sport you can do! When playing tennis you have to be smart!

TENNIS!

Sometimes,
when I
watch tennis
matches on
television I
imagine that
I am the best
player in the
world and I
can beat
anyone!
