

INSIDE OUT

JOY

I feel joy when I swim.

Playing with my sisters makes me happy.

SADNESS

I feel sadness when I have fever.

When I fall down... and if it is really painful, I cry.

ANGER

I feel so angry when I can't do my homework because of someone making a noise.

FEAR

I am afraid of heights.

TOMAGOGOS

I am afraid of the dark.

DISGUST

I hate broccoli.

I hate cauliflower.
