

At my school, children wear casual clothes. They don't wear their best clothes, but they don't wear scruffy clothes either.

However, on the first day of school most children dress up in their best clothes. For instance, the girls wear their dresses and the boys wear their trousers and their T-shirts. But other children dress up in a more simple way.

Every day I usually wear jeans, trousers or tracksuits and T-shirts, jackets or jumpers. Sometimes I wear skirts or dresses. I love my best clothes and I'm very happy when I wear them!!! 😊
