

*What's the custom at your school? Does everyone dress up in their best clothes on the first day of school, or do people dress in what makes them feel most comfortable? What clothes do you usually wear every day?*

Everyone in my school wears a shirt and a vest. Girls wear skirts and boys wear trousers. This is our school uniform and we wear this when we go on a trip or on the day we take our class photo! The girls in my school dress up with their best clothes like dresses, they care about their hair a lot and put on their new shoes. The boys dress in what makes them comfortable like T-shirts, shorts and sports shoes. When I was 6, I used to wear very girly clothes like skirts, dresses and more. Now I am used to wearing casual but modern clothes like jeans, t-shirts, all stars and jackets! These clothes make me feel comfy and at the same time modern. I don't always want to wear fashionable clothes, I want to wear clothes that I really like!
