

On the first day of school everybody dresses up in their best clothes. Lots of people wear sports clothes to feel more comfortable. However, some people wear dresses or skirts or jeans. Most of the kids, of course, wear tracksuits and sweaters. When I go to school, I wear sports clothes because if I wear formal clothes, I don't feel comfortable and then I think I look weird . But, of course, I don't. I often wear tracksuits and sweaters. Also I wear sports shoes such as sneakers or All Star shoes .
