

At our school we are not obliged to wear the school uniform, except when we go on excursions. On the first day of school the boys usually wear casual clothes. We wear modern, comfortable and casual clothes to look nice. We usually wear a T-shirt, shorts or jeans and sneakers. The girls dress in more or less the same way. When we have PE lessons, we wear sports clothes. When we want to present a school project, we pay attention to our clothes because we want to look smart. The first day of school is not different from any other school day.
