

## The first day of school

Every year on the first day of school I prefer wearing special clothes such as a summer dress or a beautiful skirt with a nice blouse. Some of the other girls do the same as me but the boys are a bit different. They don't like formal clothes but they prefer to dress in what makes them feel most comfortable. That is a pair of shorts and a T-shirt.

On a daily basis, I like wearing a pair of jeans or leggings with a blouse or a sweater and my boots. When we have PE, I usually wear a tracksuit and my trainers. Occasionally, I may wear one of my dresses!
