What's the custom at your school? Does everyone dress up in their best clothes on the first day of school, or do people dress in what makes them feel most comfortable? What clothes do you usually wear to school every day?

Children used to wear uniforms at school. Today there are still private schools where the students wear uniforms. I am very happy because at my school I can dress the way I want. On the first day of school everybody is really excited. The girls wear either skirts or dresses. They don't have sports shoes on and they carry the most modern backpacks. The boys wear either trousers or jeans and shirts. The whole picture changes the next day. All the kids wear t-shirts, tracksuits, sweatshirts, trainers and jackets. When I go to school, I want to feel comfortable. I enjoy learning things but if my clothes are too tight or if I worry about making them dirty, then I can't concentrate on my work. I usually wear T-shirts, jeans, trainers and boots when it's cold. It's nice to be in such a great school where each one of us has the freedom to enjoy their favourite clothes!
