

# William Shakespeare

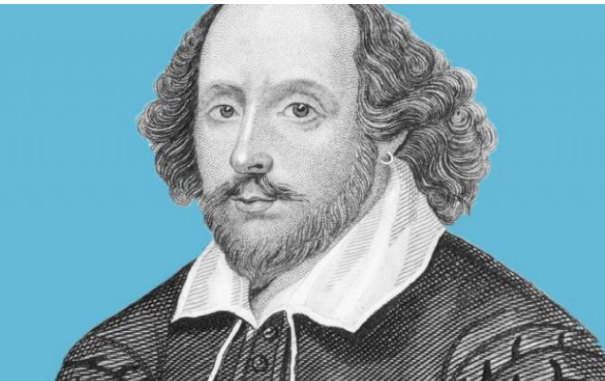

Dimitra Deligianni

# Information

- William Shakespeare was baptized on the 26<sup>th</sup> of April, 1564. We don't know when he was born, but we know that he died on the 23<sup>rd</sup> of April, 1616 at the age of 52. William Shakespeare was an English poet, playwright and actor. He is regarded as the greatest writer in the English language. His plays were about 38 and have been translated into every living language. The most well known tragedies that he wrote were *Hamlet*, *Othello*, *King Lear* and *Macbeth*. And the most well known romance that he wrote was *Romeo and Juliet*. Some other plays that he wrote are *Troilus and Cressida*, *All's well that ends well* and *Measure for Measure*.
