

Martin Luther King

# WHO WAS DR. MARTIN LUTHER KING?

A black and white photograph of Dr. Martin Luther King Jr. He is shown from the chest up, wearing a dark suit and a white shirt with a dark tie. He is looking slightly to his right and appears to be speaking. In front of him are several microphones on stands, some with foam covers. The background is out of focus, showing what looks like a large gathering of people.

Martin Luther King was an American activist, humanitarian, and leader in the African-American Civil Rights Movement. He was born in 1929 and he was murdered in 1968. In 1964 King received the Nobel Peace Prize.

King became a civil rights activist early in his career. When he was child , he suffered from racism when he understood that there were seats for black and white people in different places of the train. He was interested in Medicine and Law ,but his father pressed him so he became a pastor. He helped many people.

# WHAT IS SEGREGATION?

Segregation means that someone is isolated because the others are racists.

## EXAMPLES

# CIVIL RIGHTS MOVEMENT

King supported the civil rights of black people. These rights are to support someone who wants to go to school, to find a job, to vote and to be elected.
