*Hello Sophie!*

*How are you? Greetings from New York! I have been in New York for 4 days and I'm going to stay for another 2 days. I have visited the Empire State Building, the Central Park, the Central Park Zoo and the statue of Liberty. Also, I'm going to see a basketball match where New York Knicks and Chicago Bulls are playing and I'm going to visit Time Square. After Time Square, I will take a taxi and I will go to the airport because I have to come back to Greece as soon as I can. I will come to Texas, to visit you, the next time.*
