# ***My dream destination is....***

My dream destination is the Maldives.

# *The reason I would like to go*

First of all, I would like to go to the Maldives, because they are located in the Indian Ocean. Also, they are far away from Greece and I like long journeys.

Secondly, I would like to go there because they are one of the most visited islands in the world thanks to the beautiful sea!

Thirdly, another reason is that the Maldives is the place that has the most forests. Do you know that 85% of this island is covered by forests?
