

A TRIP TO NEW YORK

Hi I'm Nikiforos from New York in America.
A class from an English school is coming to our country for a week in December. My class has prepared a special tour for them. We've planned some really exciting trips. Have a look! Which trips would you like to go on?

Day 1: Our Head Teacher is meeting the students at the New National Airport in the morning. They'll spend the rest of the day sightseeing. They'll visit the Statue of Liberty which is spectacular to see up close and the Ellis island. In the evening they're going to stay in a hotel in the centre of the city.

Day 2: They're going to walk to Wall street where all the bankers work and take a photo with the famous bull. In the afternoon they'll visit the recently opened "Freedom Tower " which gives you a panoramic view of the city. At the bottom of the tower there is a park and a museum which was built in memory of victims for the 9/11 terrorist attacks.

Day 3: This is going to be a really exciting day. They're going to walk on the Brooklyn Bridge and stop to take photos of wonderful views of downtown. After they finish with the Brooklyn Bridge, they're going to visit the Empire State Building and see the view from the top which is breathtaking.

Day 4: We're all going to spend this day together. We're meeting the English students at Times Square where we're going to shop, eat or see a show. In the evening we're going to walk in Central park which is the prefect place to relax in the city.

Day 5: The Metropolitan Museum of Art, which is one of the biggest museums in the world, and the American Museum of Natural History with exhibits of nature and human history are going to be the next tourist attractions that the students are going to visit during the 5th day.

Day 6: The English students can't come to New York which is the theatre Capital of the world without seeing a show. So, we'll join them and see a show together.

Day 7: On the last day of the tour we're all going to visit Grand Central Terminal which is the city's historic train station and go on a tour. In the evening, we'll have a traditional meal at a restaurant all together and the English students will go to the airport to take their flight back home.
