

# My Dream Destination

- My dream destination is Russia because I think there are great cities full of great sights. For example, I'd like to go to Moscow and Saint Petersburg. I'd like to see the stadium of CCSKA Moscow, the stadium of ZENIT Petersburg, and the big church of the Catholics. Also, I want to go to Russia because there is going to be the World Cup 2018 and I want to go to see the national team of Greece playing.
