

New Zealand

- My dream destination is New Zealand. I've seen lots of documentaries about this country and I think it is the best place in the world. Now I'll tell you why I love New Zealand.

- First of all, New Zealand is an exotic place where you can do anything you want.
- Secondly, it is an island nation in the southwestern Pacific ocean. It's rich in fauna and flora . The Lord of The Rings was also filmed there in the tropical forest.
- Finally, in New Zealand, people speak English so I'll be able to practise my English during my holiday. I'll be top of the class when I come home to Greece!
