

COLOUR DAY FESTIVAL

- The color day festival usually takes place during June. It has been organized for the last 2 years (since 2015).
- Almost 32,000 fans take part.
- The fans are usually young people.

EVENTS

- The events of the festival are: concerts, colour games, dance parties.
- The colours are given to the fans at the entrance.
- The colours are natural and non-allergic because they are made of rice flower.
