

# THE PASSENGER

by Iggy Pop

By Stamatis Koulouridis

- I am a passenger  
And I ride and I ride  
I ride through the city's backside  
I see the stars come out of the sky  
Yeah, they're bright in a hollow sky  
You know it looks so good tonight  
[...]
- I look through my window so bright  
I see the stars come out tonight.  
And everything looks good tonight.

- I like this song because I like the rhythm and the lyrics as well. When I listen to it, I feel really good. I think the singer (Iggy Pop) talks about a man who is a passenger in life. This man travels through life and he can be happy with simple things, like the bright stars and the ocean.

I also like it because this is my dad's ringtone and it reminds me of my dad.
