Dimitris Kourkoulas

# Brand New

- ▣ Like when I close my eyes and don't even care  
if anyone sees me dancing  
Like I can fly, and don't even think of touching  
the ground  
Like a heartbeat skip, like an open page  
Like a one way trip on an airplane  
It's the way that I feel when I'm with you,  
brand new

# Brand New

- ▣ I like the power of the lyrics. When I am with someone I care, I feel that I can do anything I want. I can dance without caring if they see me, I can fly without touching the ground. I become a totally new person.
