

My favorite song:

Happy

*"Happy" is a song written by American singer **Pharrell Williams**, from the movie **Despicable Me 2**. That song is my favorite because it has beautiful lyrics, a nice pace and makes me feel good.*

(Because I'm happy)

Clap along if you feel like a room without a roof

(Because I'm happy)

Clap along if you feel like happiness is the truth

(Because I'm happy)

Clap along if you know what happiness is to you

(Because I'm happy)

Clap along if you feel like that's what you wanna do
