

**What do you usually do at recess at school?**

**I usually walk in the playground with my friends. We talk, we play and we laugh a lot.**

**Do boys and girls do different things?**

**No. Girls and boys play 'tag' together. But when we have P.E., we play separately. Girls play basketball or volleyball and boys play football.**

**What do you do when the weather is bad?**

**Usually, when the weather is bad, we remain in the classroom and we watch funny videos on the computer. But if someone has got an umbrella, he may go out.**
