

*RECESS AT I.M.PANAGIOTOPOULOS SCHOOL*

SOFIA NIKOLAOU ST3

At my school there are three breaks during the day. All students love breaks because then we can relax, play with our friends and have fun.

Girls spend their breaks in the playground. They have a snack, talk together and sometimes they play 'tag' with the boys.

Boys usually play 'tag' or hide-and-seek in the playground.

Once a week we have a sports break and then we can play football and basketball.

When the weather is bad, we stay in the classroom and watch videos or go to the library and play chess or read books.
