

Usually, at recess at my school I enjoy playing or talking with my friends very much. Sometimes I play a lot of games with my friends and classmates or I just eat my snack. We hardly ever play with the girls (you see, we usually don't spend our time together). When it rains or when it snows, we don't go outside but we stay in the classroom or we go to the library. In the library we can do a lot of things. We can read books, comics or magazines. We can also play board games and chess.
