

Break  
Time!!

Katarina Kissa  
ST'2

# Break Time

- At break time, I usually go out and talk with my best friends. Once a week, there is a sports break when we play football and basketball. At recess, I also drink water and eat an apple.
- But boys and girls do different things. Boys usually run and play football and girls talk about school and homework.
- When the weather is bad, I go to the library and read a book. We sometimes see funny videos and we do our homework. But I like it best when the weather is good because we can play outside.

# WEATHER!
