

Knossos
Crete

Knossos is an ancient important city of Crete.
It is believed that it was built during the Bronze
Age. Knossos was destroyed by fire in 1350BC.

The Palace

The Palace of Knossos was the centre of the Minoan culture. It is famous for its maze and Minotaur and the legend of Theseus.

Today

Knossos is still a place of tourist attraction.
Many people visit the Palace every year
from all over the world.
