

**"The country I would like  
to visit"**

# SPAIN

The country I would like to visit is Spain. Since I was very young, I wanted to learn Spanish. The Spanish language, I think, is a beautiful language. Spanish is the third most important language in the world. In all the countries, there are people who speak Spanish. The Spanish culture is wonderful, because Spanish education is so interesting. I'm interested in art and I want to visit «Museo Picasso» in Barcelona. Spain has the most beautiful sights and I want to visit all of them!
