

# THE COUNTRY I WOULD LIKE TO VISIT

---

My favorite country, where people speak English is Australia. I like Australia because it is very a big continent with natural beauty and wildlife. I would like to visit the famous bridge of Sydney and the famous Opera House. Another beautiful place is the Botanic garden and the Marine Park in Perth. In Melbourne, I would like to see the Melbourne zoo so as to experience the wild fauna and flora of Australia.

I hope to visit this country very soon!
