# Why I want to visit France

- The country I want to visit is France. I visited Paris last year but I want to visit it again in 2024 because The Olympics Games will be held then and I want to take part in the Olympic swimming event. I do competitive swimming and my goal is to take part in the Olympics Games in Paris. I hope I'll succeed in my goal!

- Also, I want to visit Paris because it is a beautiful city and there is the Eiffel Tower which is perfect! Furthermore, I want to try crepes and fish soup!
